

Hideki Mitani Publishes New Book

TOKYO, October, 2008. Hideki Mitani, founder and Managing Director of Roberts Mitani, an international investment banking and strategic advisory firm, published *Goyoku Shihonshugi, Wall-gai; no Jibaku* (“*Greedy Capitalism: The Self Destruction of Wall Street*”), an analysis of current problems in the global financial and economic system and a prescription for policy and grass-roots change. The book is being published by Bungei Shunju, one of Japan’s leading publishers and is a best seller in Japan.

This is Mr. Mitani’s third book; the first of which was “*New York Style-A Big Company with Just Five People,*” and the second of which was *Saraba Goyoku Shihonshugi* (“*Good-bye, Greedy Capitalism*”). Mr. Mitani also is a regular commentator for NB Online of *Nikkei Business*, one of Japan’s leading business news services, as well as *SHOKUN!*, *Bungei Shunju* and other periodicals.
