Market Pulse: Micrus Endovascular Corp. IPO debuting at \$11 a share

By Steve Gelsi

NEW YORK (MarketWatch) -- Micrus Endovascular Corp. priced 3.25 million shares at \$11 each in its initial public offering debuting Thursday on the Nasdaq. The Sunnyvale, Calif. maker of medical devices used in the treatment of cerebral aneurysms raised \$36 million with underwriters A.G. Edwards and Needham & Co.
